

Dear Parents,

October 4, 2017

Our first month of school together went by so quickly. Crisp air, crunching leaves, pumpkin spice and everything nice! We have entered into my favorite time of year. I love the fall colors and endless possibilities inside and out! It's hard to believe the seasons have changed and now we are enjoying watching our leaves change into the most beautiful shades of orange and red.

We enjoyed special visits from our fire department. The children practiced a fire drill, the children did a great job evacuating the building. and even had a tour of the fire truck. This is a favorite event and helps the children meet these important helpers and learn some fire safety too.

After School Pick-ups Please tell your child's teacher if someone other than you will be picking your child up after school. The car pool forms save you from having to write a note every time, but the teachers still need to be notified if there is a change in the regular pick-up routine. Thank you for helping us ensure your child is safe at pick-up time!

Harvest Party On Thursday, October 26 and Friday, October 27 you're invited to join us for our annual Harvest party. This event celebrates the beautiful autumn season and the wonderful gifts that God has given us. We do not dress up in Halloween costumes...save those adorable costumes for your Halloween celebrations.

Picture Days will be held on November 6 & 7 more information will be coming soon. Sibling pictures will be taken on both days. Please read the photographer's suggestions for clothing and colors to wear for the big day.

Parent/Teacher Conferences will be held on Tuesday, November 14 please take some time and think of questions you may have regarding your child's development. Child care will be available on this day from 8:30-12:30. There is NO SCHOOL on this day. Sign Up sheets will be in your child's classroom soon.

Lunch Reminder to our friends who are enrolled in our program from 9a.m.-2p.m. your child will be having lunch with us on these days. When packing your own child's individual lunch, you CAN provide your child with a dairy product, examples; cheese stick, ham and cheese sandwich, yogurts. You will NOT be able to provide your child with **MILK** or **NUT** products.

Drop Off Time we are asking for your help, could you please do your very best to say a quick good bye to your child after entering the classroom in the morning, please feel free to use the hallway for a time to talk to your child about any reminders you may have for them. Thank you in advance for your help in making our morning transition as smooth as we can for our friends.

Thank you again for entrusting your precious children to our care during these exciting preschool years. We thank God for giving us this opportunity to provide an exciting learning environment for them and for the opportunity to tell them about His amazing love!

Blessings and Happy fall!
Mrs. Kearns
